

*Thank you for joining us today*

The Master Gardener program is an education and volunteer initiative affiliated with the Texas Master Gardener Association and Texas AgriLife Extension within Texas A&M University. The mission of the Denton County Master Gardener Association is to educate Denton County residents about safe, effective and sustainable horticultural practices that promote development of healthy gardens, landscapes and communities.

### **We're Here to Help with Gardening Information**

Our help desk is located at 306 N. Loop 288 in Denton, TX, and is staffed by Master Gardeners. You may contact us with your gardening questions by phone at [\(940\)349-2892](tel:9403492892)

or

bring in a sample of diseased plants or plants you want us to identify.

or

Email us at [master.gardener@dentoncounty.com](mailto:master.gardener@dentoncounty.com).

*We will research your question and will provide an answer as soon as possible.*
